Dear Bank of the West,

The Veterans Network (VetNet) is a regional 501 c3 organization that focuses on programs and services for veterans in Central California. Thousands of veterans sleep on the streets of the very nation they defended. We can do better! We are launching a campaign called **OPERATION: You're the Best!** It is a program to establish a homeless shelter for veterans and an education center for the community.

**We would be delighted if you wanted to sponsor one of our program goals below. Our Small Business Program for Vets is something that Bank of the West would be an excellent partner. We help small businesses with their business plans, certifications, outreach, support and help them seek funding. We also have several other programs listed below.**

Please note that we are also raising funds for our local programs.

1. Regional Job Fair for Veterans (a partnership with other non profits)
2. Dental Health Services (a partnership with regional dentist)
3. Mental Health Services via a pet adoption program (Pets for Vets a partnership with the ASPCA)
4. Dress to Impress (a partnership with local retailers)
5. VetNet food program
6. Small Business Referral Program to help vets start and own their own businesses
7. VetNet Education Center & Homeless Center

We hope that we can count on you to help us make OPERATION: You're the Best a success!

Thank you in advance for your contribution. You may reach us at 559-231-0122 or email
